

src/gnd/inc/BLAS\_datatypes.h

```
graph TD; A[src/gnd/inc/BLAS_datatypes.h] --> B[vector.h]; A --> C[matrix.h];
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'src/gnd/inc/BLAS\_datatypes.h', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'vector.h' and the right box is labeled 'matrix.h'. This indicates that the BLAS\_datatypes.h file includes definitions or declarations from both vector.h and matrix.h.

vector.h
